

MILTON

CHARACTER DESCRIPTION

Milton, 17-18 years old. A cocky, arrogant skateboarder (Actor must be able to skateboard and do tricks) who works at the gas station and considers himself superior to everyone else at the skatepark. He's a "poser" who's always giving unsolicited advice and acting like he's better than he actually is.

SCENE CONTEXT

Annie, James, and Aiden have come to the gas station where Milton works, desperate to see security footage that might show the red car that kidnapped Derek. Milton immediately recognizes James and Aiden from the skatepark and treats them with contempt. When they ask for help, he refuses and threatens to call the police. James tries to negotiate, but Milton escalates, ultimately challenging Annie to a game of SKATE with the security footage as the prize.

MILTON

Dog? I haven't seen any stray dogs around here today.

JAMES

He's not a stray, and it was 4 days ago, at night.

MILTON

I'm not showing you any security footage.

AIDEN suddenly burst from behind.

AIDEN
