BASEBALL MOM

CHARACTER DESCRIPTION

BASEBALL MOM - Female, 30s-40s, Any Ethnicity

A stressed mother trying to manage a table full of rowdy kids at a baseball team pizza party. Practical, frazzled, but helpful. She's at the baseball field when Annie arrives desperately looking for information about the pizza delivery. The Baseball Mom provides crucial information about the red Bambino's delivery car and the strange direction the driver went (toward abandoned farmhouses), helping Annie track down her father's location. Must convey "overwhelmed mom" energy while still being observant and willing to help.

SCENE CONTEXT

Annie has been frantically biking through town following clues about the red delivery car. She arrives at a baseball field where a team is eating Bambino's pizza. Annie urgently questions the Baseball Mom about who delivered the pizzas and what car they were driving. The mom is initially confused by Annie's intensity but answers her questions - she saw the red Bambino's sedan leave toward Gambit's Run, an area with only abandoned farmhouses. This information leads Annie directly to Pete's torture house where Derek is being held. This is a pivotal moment in Annie's investigation.

AUDITION SCENE

EXT. BASEBALL FIELD - MORNING

ANNIE hurries to the mothers on her bike.

ANNIE

Who brought you those pizzas? Did you get them yourselves?

BASEBALL MOM

Calm honey, what's the matter, what are you talking about.

ANNIE

Those pizzas! Where did you get them from!

BASEBALL MOM

We had them delivered from Bambino's. They sponsor our team you know. The guy just left them 10 minutes or so ago.

ANNIE

How did he look like!

BASEBALL MOM

What is your problem honey!

ANNIE

What did he look like!!

BASEBALL MOM

I don't know, I was over in the
outfield when he came by. I don't
know who received them, any of the
ladies could've been here.

ANNIE

What color of car was he driving.

BASEBALL MOM

He was driving the red sedan
Bambino's uses for their delivery.
I saw it drive away.

ANNIE

Which way did he go!

BASEBALL MOM

He went over through Gambit's Run
over there, which is odd, cause
there's nothing over there but old
run down farm houses. Most of them
abandoned. He must've been lost or
something.

ANNIE steps on her bike, and leaves towards the road the
BASEBALL MOM told her.
